## Professional Summary

I'm a detail-oriented Web Developer with 5+ years of experience in front-end development, WordPress, and Shopify. I build fast, responsive websites using HTML, CSS, JavaScript, React, and Tailwind CSS, with strong GSAP animation skills. I also use AI tools like Claude, ChatGPT, and Cursor to boost productivity and code quality. My focus is on performance, clean design, and delivering solutions that drive real business results.

## Skills

**Front-End Development:** React, Astro

**CMS & E-commerce:** WordPress, Shopify

**AI:** Claude AI, Cursor AI

**Testing & Optimization:** Cross-Browser Testing, Performance Optimization

**Digital Marketing:** SEO Basics, Google Analytics

**Soft Skills:** Project Coordination, Time Management, Problem Solving
